Pregnancy Support Center

OF SOUTHSIDE VIRGINIA

ABOUT US

The Pregnancy Support Center has been dedicated to helping women, teens and families in the Southside Virginia area since we opened our doors in 1984. Since inception, we have assisted over 8000 clients. We operate as a non-profit organization; all our services are free and confidential and are available regardless of income, race, or religion.

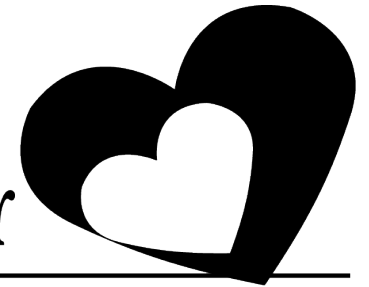

We are located in Farmville and serve ten counties including Appomattox, Prince Edward, Buckingham, and Cumberland Counties. The demand for our services is great. The Center receives no government funding, and is being supported entirely by the generosity of churches, individuals, and organizations.

Currently, we offer pregnancy testing and so much more. Our goal is to provide compassion and hope to those facing pregnancy decisions. We do this through assigning an advocate to each client and educating them through incentive based classes. Our education program is impacting the communities we serve.

We are a 501c Non-profit corporation with Tax ID Number 54-1254898.
